

# Delivering What You Need to Succeed.

**Vanguard™ Superior  
Support Solutions**

# Vanguard™ Productivity Defined.

You have no time for wasted time. That's why everything we do is focused on increasing your productivity and your bottom line. Our Vanguard™ commercial-grade engines deliver unrelenting, reliable performance. And practical innovations make them easier to start and maintain.

But that's just the beginning. Our commitment to keeping you running all day – day after day – includes a dealer network designed to support your needs. It's backed by genuine parts shipped same day plus 24/7 technical support, expert training, and fast warranty recovery.

That's our total solution to lower your cost of ownership, increase productivity and decrease downtime. That's the Vanguard advantage.
